Professor P. Petkoff  
 Sofijski Universitet  
 Sofia, Bulgaria

My dear Professor Petkoff:

We were much interested to learn through Dr. Ivan Buresch of your association for the protection of nature.

Under separate cover I am forwarding some of the publications of this organization and trust that you will let us have some of yours.

Very truly yours,

Betty Hone

Assistant Secretary

*Here I have enclosed some of the publications of the International Wild Life Protection (American) Committee for your information and interest.*

*I hope you will find them of interest and let us know if you have any suggestions.*

*With regards  
 Betty Hone  
 Assistant Secretary*
